Report of Principal and School Improvement Council

As a partial magnet school with a focus on Math and Science, Mitchell Elementary school is expanding to include all the components of a true STEM (science, technology, engineering, math) school. While some of our magnet students come from across our district, we pride ourselves on being a true neighborhood school where over 80% of our students walk to school. We encourage parents to pick up their students allowing for daily contact with the teachers. This brief informal daily communication allows trust to build between our families and staff creating a warm and positive school climate.

We have a wide range of community partnerships who contribute to our focus on health and wellness. Our students participate in our Action Based Learning Lab and yoga weekly. In addition, we work in collaboration with the Green Heart Project to show the importance of not only growing your own vegetables, but how to incorporate what you grow into a healthy lifestyle.

Through the generous donations from the Unitarian Church we are able to expose all of our students to several field trips each year. These field trips build on our STEM focus allowing students first-hand experiences with their learning. In addition our partnerships with COSEE and local architects allow our students in grades three through five to experience what a career in that particular field could hold for them.

Mitchell's teachers and staff are among the most qualified, dedicated, and motivated in CCSD. With many holding masters degrees or National Board Certification they work together as a team to offer the most challenging curriculum possible to our students. We have a strong focus on personalized learning and all students have access to iPads to assist with this. Along with the community support, the vast number of volunteers, and the many partnerships, we feel Mitchell is a true "Gem of the City."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	76
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Julian Mitchell Math and Science Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
